**Phone:** (701) 776-5261

**Fax:** (701) 776-5448

**Web:** [www.hamc.com](http://www.hamc.com)

The newly constructed hospital facility complements our long-standing presence, enhancing the services we provide. The new facility, recently opened in September 2024, houses a multitude of services. Services include major and minor surgery, comprehensive laboratory and X-ray facilities, and a level V-certified emergency room which has over 2,000 annual visits.

Heart of America Medical Center is dedicated to delivering quality, individualized nursing home care, featuring a licensed 60-bed basic care facility and a 37-unit assisted living center.

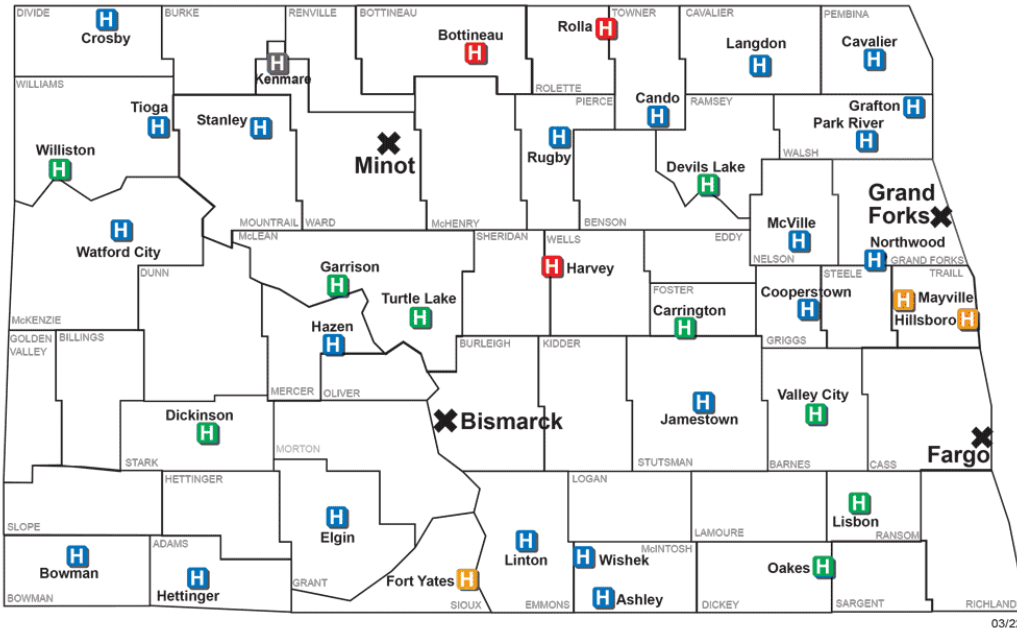

In 2010, Heart of America Medical Center merged with Johnson Clinics in Rugby, Dunseith, and Maddock to expand their coverage area. The Johnson Clinics have since been rebranded as the Medical Clinics of their respective areas.

## History

Established in 1910 by a group of dedicated ministers, this non-profit medical center is sustained by 20 area churches of all denominations which comprise the Good Samaritan Hospital Association. It is with continual commitment to excellence that the Heart of America Medical Center brings personalized quality care, education, community service, and innovative programs with a sense of hometown healing.

## Recreation

Rugby, located in north-central North Dakota, is about two and a half hours from Bismarck and four hours from Fargo. The community is served by the Minot Airport, which is just an hour away, as well as the local Amtrak's train service. Additionally, Rugby is known as the gateway to the International Peace Garden, situated along the U.S./Canadian border, making it a unique destination for visitors interested in both natural beauty and cross-border experiences.

Rugby's economy is primarily driven by agriculture, with manufacturing retail trade, health services, professional services, and transportation following closely behind. The Rugby community supports both private and public-school opportunities, along with access to higher education at nearby colleges. Outdoor enthusiasts can enjoy the Turtle Mountains for recreational activities, while local lakes offer fishing, swimming, and camping. Community facilities include parks, an indoor swimming pool, splash pad, indoor and outdoor skating rinks, ball fields, tennis courts, trap shooting range, golf course, and paved walking path and nature trail. Notable attractions feature the Prairie Village Museum, the Pierce County Courthouse, the authentically restored Amtrak Depot, and Victorian Dress Museum. The Northern Lights Tower is especially appealing with its multi-colored beams which beautifully simulates the Northern Lights. For shopping, Rugby offers unique gift shops and exclusive boutiques.
